NEWS LETTER FOR THE MONTH OF JUNE

It's been an eventful month in Kindergarten. We are pleased to inform you that students have settled in very well and have adjusted to the environment. Thank you for all your support. Our teachers have been guiding our students based on the child's interests, level of maturity, developmental stages and academic readiness.

Each child's mind is like a sponge - ready to grasp everything from their environment. They learn best by hands - on - experience and gain self confidence. They become independent when they have completed a task. We, as facilitators are there to guide them and make them better individuals.

Apart from regular classroom and montessori environment, our children have been exposed to Music, Dance, Physical Education and Thinking Skill Lab. It's been a pleasure to see them shake to "Senorita" or sing "Baby Beluga".

Rhymes for the month –

Hello Hello Hello how are you?

Where is thumbkin?

Father finger

Head Shoulder Knees & Toes

Johnny Johnny? Yes papa?

If you're happy and you know, clap your hands.

Important Dates

July 6th – Awards Day & Investiture Day (Holiday for KG)

July 27th – Vara Mahalakshmi (Holiday)

Themes for the month

1. Environment day
2. My Family
3. Parts of the body

1. **Environment day**- We spoke about what is Environment. How to preserve our trees & plants. Everyone was dressed in green. We made basket with paper plates, picked leaves and pasted them on the basket.
2. **My Family**- We discussed the meaning of a family, who are the members in a family. We made family tree and an Origami house to show where the family lives.
3. **Parts of the body**- We discussed Parts of our body & their functions. We made popcorn & introduced 5 senses and made paper cup puppets.

Milestones

Level 1

Gross motor skills and eye hand coordination through coloring, pasting, music and dance. Social interaction with their peers.

Level 2

Learning phonetics, writing patterns, capital letters, refining muscular movements with Montessori materials, music and dance.

Level 3

Reinforcement of capital, small, cursive letters, phonetics, Pre math concepts with Montessori materials, music and dance.
