Themes for the month

Environment Day: We spoke about what is Environment & how to preserve our Environment. Everyone was dressed in green. We made photo frames.

My Family: We spoke about what a family is and the different types of family. Everyone spoke about the members in their family. We made a house with ice-cream sticks.

Parts of the body: We discussed about the parts of our body, their functions, how we should keep it clean. We spoke about the sense organs and made popcorn.
