### Theme for this month

**Transportation:** Children spoke about different kinds of transportation and how they are useful to us. They had a wonderful time riding in a tractor inside the school campus. We made house boat with paper plates for water transport and a parachute for air transport.

### Celebrations

**Ganesh Chaturthi:** Children saw a short movie to understand why we celebrate this festival. We made a sweet called "Panchkhadya" and made Ganesha with a paper cup.

**Eid:** We spoke about the importance of this festival. We had seviyan and made a card saying "Eid Mubarak"
