

# Kindergarten

March 2019

## Field Trip

Kindergarten children visited Mugabu Resort on 8 March where they enjoyed different kinds of rides like bouncy castle, bouncy basketball, and soapy football. They played on the mechanical hurdle and finally cooled off with a rain dance. Children had delicious snacks in the shade and had a good time playing in the park. Our children came back with a lot of happiness and memories. It was indeed a memorable day for Kindergarten children.

**Important Dates**  
**Summer Vacation**  
**30 March to 02 June**

# Summer Market

March 2019

The children had the opportunity to put up a Summer Market on 11 March during school hours where children sold the green vegetables which they had planted in the school garden last month. Children also sold lemonade, and buttermilk to cool off the summer heat. To top it off they also prepared a platter of assorted summer fruits. During this process, children learned the food which we prefer to eat in the summer season. We were amazed at the way children attracted customers and persuaded them to buy items which they were selling.

# Holi Celebration

March 2019

The festival of colours was celebrated with great enthusiasm at Primus Public School. The kindergarten children led by teachers, played Holi with safe, dry and organic colours. By the end, vibrant colours made every child look similar. Children headed for their classrooms where teachers gave them sweets, narrated the story of Holika and the importance of Holi celebration.

# Nursery

March 2019

**Literacy:** The teacher revised sounds of alphabets from Aa to Zz with phonetic songs and children were given worksheets to associate sounds with respective pictures. The teacher also revised the pattern through activities.

Stories: Thirsty crow, Elves and the shoemaker, Red-riding hood.

**Numeracy:** The teacher revised numbers from 1 to 10 by counting fingers and different kinds of objects. The teacher also reinforced the concept of associating numbers with respective quantities through worksheets and the concept of after numbers through games.

## Theme for the Month

The teacher revised concepts of fruits and vegetables, animal world, sense organs through stories and showing them flash cards. The teacher also conducted a quiz for children to recall the facts which they had learned throughout the year.

## Rhymes

- Bingo dog song
- Days of the week

# LKG

March 2019

**Literacy:** The teacher revised alphabets from Aa to Zz with phonetic songs, children were given worksheets to write alphabets and associate sounds with respective pictures.

**Revised of family words:** 'ug' words, 'un' words, 'ot' words, 'ub' words, 'ut' words, 'it' words, 'in' words by showing flashcards and children enjoyed reading storybooks.

**Numeracy:** The teacher revised the concept of numbers from 1 to 50 by counting fingers and different kinds of objects. Children were given worksheets to associate numbers with respective objects. The concepts of before and after numbers were revised through games. Children enjoyed making patterns with different shapes and colours.

## Theme for the Month

The teacher revised the concept of fruits and vegetables by showing children flashcards. They traced vegetables and fruits with stencils and coloured them. Children also enjoyed making Fruit Salad in class.

The teacher also revised concepts of personal hygiene by showing flashcards. She discussed about things which we use to clean the environment and ourselves; she emphasised on the importance of cutting nails, brushing teeth, and washing hands before and after eating.

**Activity:** Greeting for Holi festival

### Rhymes

- Run , Run , Run
- Holi, Holi its Holi once again.
- Wash, Wash Your Hands

# UKG

March 2019

## Language

- **Story reader:** Min makes a New Friend
- **Revision of family words:** 'ing' words, 'qu' words, 'th' words
- **Revision:** opposites, prepositions, colours, singular and plural forms through games and activities. The teacher reinforced the same concepts through worksheets.
- Introduction to comprehension passages
- Writing one word or simple one line answers

## Arithmetic

- Introduction to single digit Addition and Subtraction with different kinds of objects and through Montessori material.
- Revision of Missing numerals, Greater than and Smaller than of two numbers.

## Theme for the month Heavenly bodies

Children enjoyed learning about heavenly bodies (sun, moon, stars, and planets). They were made aware of how Earth experiences day and night. They were introduced to words such as rotation with the model of the Earth. Children thoroughly enjoyed activities pertaining to the day and night, and they were able to name the eight planets in our Solar system.

### Activities

- Children cut out a circle and drew pictures depicting day and night.
- While learning about planets children used handmade chart and crepe paper and made a 2D model of the Earth seen from space.

### Rhymes

- One little planet
- The planets spin around the Sun
- The family of the Sun
- I am a little rocket
